Chamber Agreement

I understand that if I am chosen to be a member of the Bloomingdale Chamber Orchestra, I am committed to attending after-school rehearsals and performances as part of my grade for the class. Rehearsals are scheduled Mondays and Thurdays after-school from 3:15-4:30, as needed. In addition to quarterly performances, chamber members may also be required to perform extra concerts as part of community outreach or for the good of the organization. Any absence from a rehearsal or performance will result in a deduction of my grade and can only be brought up by extra credit assignments given by Mrs. Caballero.
