Symphony Agreement

I understand that if I am chosen to be a member of the Bloomingdale Symphony Orchestra, I am committed to attending after-school rehearsals and symphony performances as part of my grade for the class. Rehearsals are scheduled Mondays after-school from 3:15-4:30 on a regular basis, and on Thursdays 3:00- 4:30pm, as needed. In addition to quarterly performances, symphony members may also be required to perform extra concerts as part of community outreach or for the good of the organization. Any absence from a rehearsal or performance will result in a deduction of my grade and can only be brought up by extra credit assignments given by Mrs. Caballero.
