

Uniform purchase and return policy 2011-2012

In an effort to maximize use of our uniforms and make them economical for our students we are going to try a buy back procedure for orchestra uniforms. We realize that over the course of 9-12 grade children occasionally grow so this might apply to not only those leaving the program at graduation, but possibly those who may need a different size from year to year.

Garment Bags (Required for those purchasing Uniforms for first time; optional for others)

In an effort reduce confusion when uniforms are carried to school (i.e. Picture day, MPAs, end of school etc.) students will be required to bring their uniforms in a garment bag. Bags will be part of any new uniform package. The bags are black nylon with the Orchestra logo imprinted. Men's bags are 44" long, Women's 65". Both fully zip and have a separate shoe compartment. Cost in association with a new uniform purchase will be \$15. Students that already have uniforms may purchase the same garment bag for \$20 OR can bring one of their own, which must conform to the same basic standard of being a fully zipping garments bag.

Garment bags can be sold back upon leaving the program for \$7.50. Since this is the first year of garment bags, there are no used bags to purchase.
