Dear Orchestra Students and Families

On Friday, February 26th 2010, we will be heading to Blake High School for our Annual Music Performance Assessment. The schedule is as follows:

Group	Warm-Up	Stage	Sight-Reading	Class	Number
Concert	8:30 am	9:00 am	9:30 am	CS	33
Freshman	11:00 am	11:30am	12:00 pm	BS	45
Symphony	2:10 pm	2:40 pm	3:20 pm	AS	54
Chamber	3:20 pm	3:50 pm	4:30 pm	AS	30

We have reserved 2 charter buses to transport all of the students and equipment. The freshman and concert students will load the buses at 7:45 am. They will return to campus by 12:30pm. They will change out of their uniforms, eat lunch during 6th period, and then go to their 7th and 8th period classes. They will have school business from 1-6 periods. The symphony and chamber students will eat lunch during 4th period, and then report to the orchestra room during 5th period to change into their uniforms and gather their equipment. They will load the buses around 1:00 PM. They will receive school business from 4- 8 periods. After symphony performs, they will return to school around 4:30 pm. The chamber orchestra will return by 5:30 pm.

There is an MPA fee of \$8/student to cover the entry fee and transportation costs. Students whose parents are booster members do not need to pay this fee, as it is covered by the instructional fee that was submitted at the beginning of the year. Payment must be received by Tuesday, February 23rd.

I am in need of 7 parents to chaperone the freshman and concert performances and 8 parents to chaperone the chamber and symphony performances. If you are available to help, please contact me. We've got many events coming in the next few months- scrapbook fundraiser Feb 20nd ,the Children's concert on March 27th, our Orlando trip in April , and our "Masquerade" themed Spring concert and awards banquet in May. If you are unable to help out for MPA , please consider helping out with another event.

Thanks for your support.

Sincerely

SuLing Chau Caballero
